

Aktivitetshuset

A place for you to meet, fika, exercise or just hang out

Let's go on a treasure hunt!

Aktivitetshuset wants to give a fun tip on a treasure hunt you can do at home in the garden or in the park with your children.

Leave the list to the children along with a bag or box and give them an hour to find all the items before they get a reward! It could be a new drawing book, or why not something good like fruit salad!

Here's what you need:

- A reward
- Shoe box or backpack
- Pens and/or crayons
- Notepad
- Clock/phone with alarm
- Matchboxes for small items

Treasure hunt list:

- Something that has fallen from a tree (no leaves are allowed)
- Something that rattles
- Three types of leaves
- Something that starts with the letter "D"
- A yellow flower
- Something with mixed colors
- Something that is round
- Something that smells good
- Draw a self-portrait while doing a funny face

Of course, it is possible to exchange the items in the treasure hunt list with something else that suits you and your family. Have fun and good luck!
