

Christmas Reindeer

You need:

Oboy powder
Milk chocolate or chocolate buttons
Small marshmallows
Black pipe cleaner
Cellophane cones
Plastic eyes
Red paper

How to make:

Pour the Oboy powder into the cone, about 2-3 tbsp (preferably with a funnel so the powder does not mist the bag)

Divide the milk chocolate or chocolate buttons and make a layer. Finally, add marshmallows and tie a knot with the pipe cleaner and form small horns. Glue eyes and nose on the cone.

Done!
