Moving together for charity

Cancer is something that can impact us all, directly or indirectly. Älmhult Fights Cancer is a charity race to raise vital funds for cancer research together as a community. At the same time, we inspire each other to a healthy and active lifestyle.

Registration fees will be donated to the Mrs. Berta Kamprad Cancer Foundation.

The race is arranged by IKEA in Älmhult, for everyone to join.

Everybody can join!

Sign up today. You can run, jog, walk, sign up as a volunteer or cheer on your friends and family. There will be something for everyone. Together we walk or run through Älmhult to raise money for cancer research.

New this year is that there will be a special race for our youngest participants, and it is also possible to join the race with a stroller. It is also possible to register several participants for the same distance and pay for all at once.
